

**HELLO EVERYONE!**

This is my first newsletter as your reporter/photographer for the Durham Archers.

Our first shoot which took place at the Crooked Arrow on April 1, 2007, turned out to be a little soggy, but we had a great turnout from the Durham Archers and everyone “toughed it out” with great results!

Personally, I arrived late, as the directions leading into the site had blown away and I only stumbled onto the right road just as I was about to give up the search and return home.

I am posting the results below and do apologize for the lack of pictures and stories, as intended, but the usual presentation at the end of the tournament was shortened due to the miserable weather. I hope to make up for it at the next tournament. Hope to see you all there!

\* Just a reminder that the next shoot will be held at the  
**YORK COUNTY BOWMEN** on  
**May 27, 2007**
