

## **HELLO EVERYONE ONCE AGAIN!**

Welcome to the 2<sup>nd</sup> newsletter. The last tournament was held at the York County Bowmen on May 27, 2007.

Once again, the members from Durham Archers came out to support our club – despite the afternoon rain - we had another great turn out!!

If some of you recall, as we were posing for our “group shot” there seemed to be a problem with my camera -due to technical difficulty, (the camera was in video mode) I did not manage to post the shots I was hoping to. However, I will post the pictures I did manage to get including the group shot of everyone from the Durham Archers who were in attendance.

I look forward to seeing all of you at our Durham Archers tournament on June 24, 2007! Come on out and get involved! We guarantee a good time for all!
